Whereas, the parties are continuing in settlement negotiations and believe that further negotiations may be productive, the parties hereby stipulate that, to that end, defendant ROURK shall have an additional thirty days from the date of this stipulation to file (or refile) her objections to the Magistrates Findings and Recommendations on defendant's motion for summary judgment, should settlement negotiations prove unfruitful. The parties further agree that plaintiff's responsive brief will be filed within 10 days of defendant's refiling of her objections, should the same become necessary.
